

Join the Meany Middle School PTSA!

Join us! Your PTSA engages families, staff, students and the broader community to ensure the success of MMS students in and out of school • Organizes community-building events to strengthen connections • Facilitates school-to-home connections • Keeps families informed about what is happening in and around school • Coordinates volunteer efforts to benefit all Meany Middle School students • And more!

All families are welcome at PTSA meetings and school events regardless of membership status, but becoming a member enables us to maintain standing as a formal/legal PTSA organization and a designated 501c3 (non-profit) organization. Your membership fee is not a donation to the Meany Middle School PTSA. Membership affords you voting rights as well as an affiliation with the WA State PTA and National PTA. Thank you!
